

Saltiga 7000H Dog Fight

not greased.....

rotor, view of the bottom

CF washers not greased

Dimensions: 15x26x0.55mm each

had no success to find cf sheets in 0.55mm thickness. In case you can make your own washers
cut four washers 15x26x0.5mm plus one 15x26x1mm

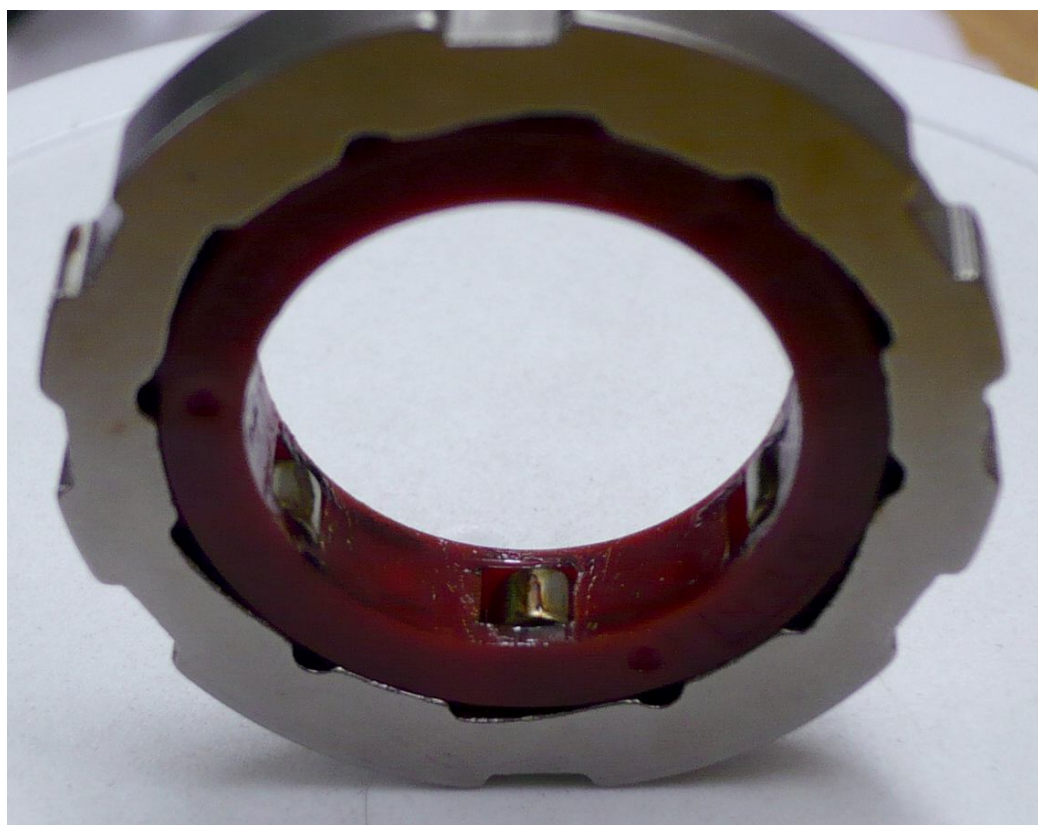

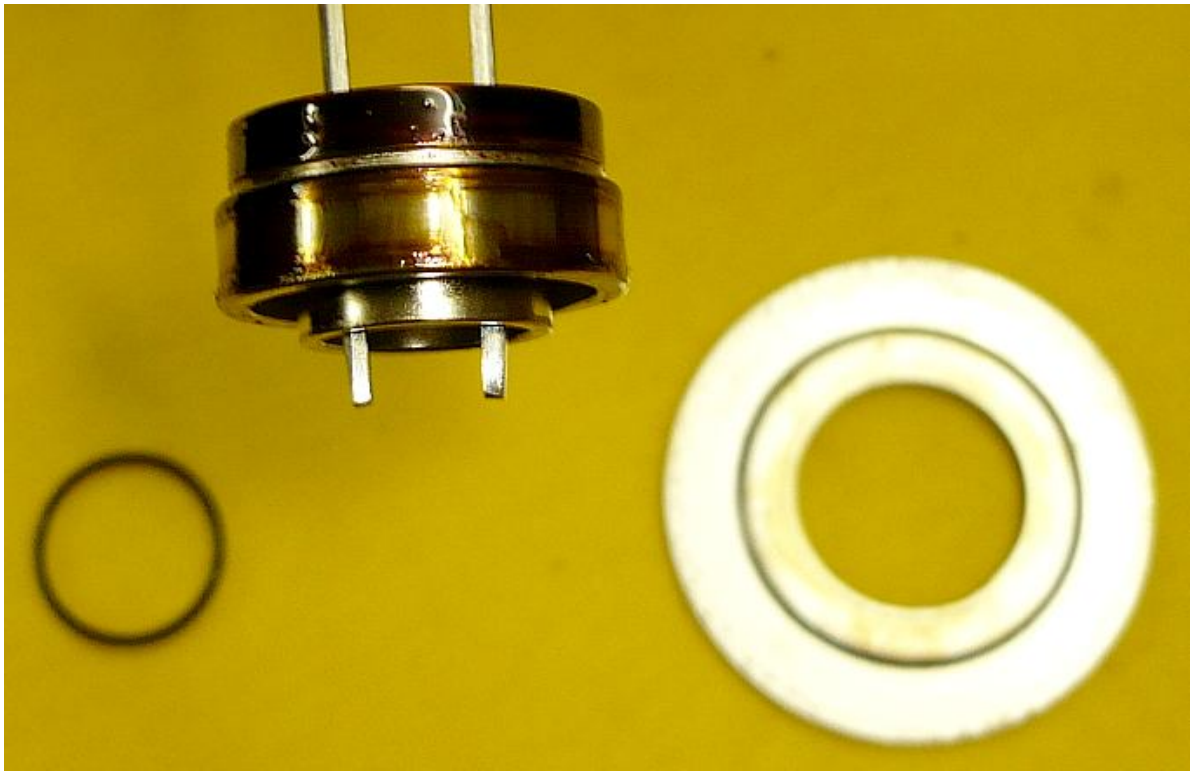

bearing dimensions 5x8x2,5mm

infinite cover

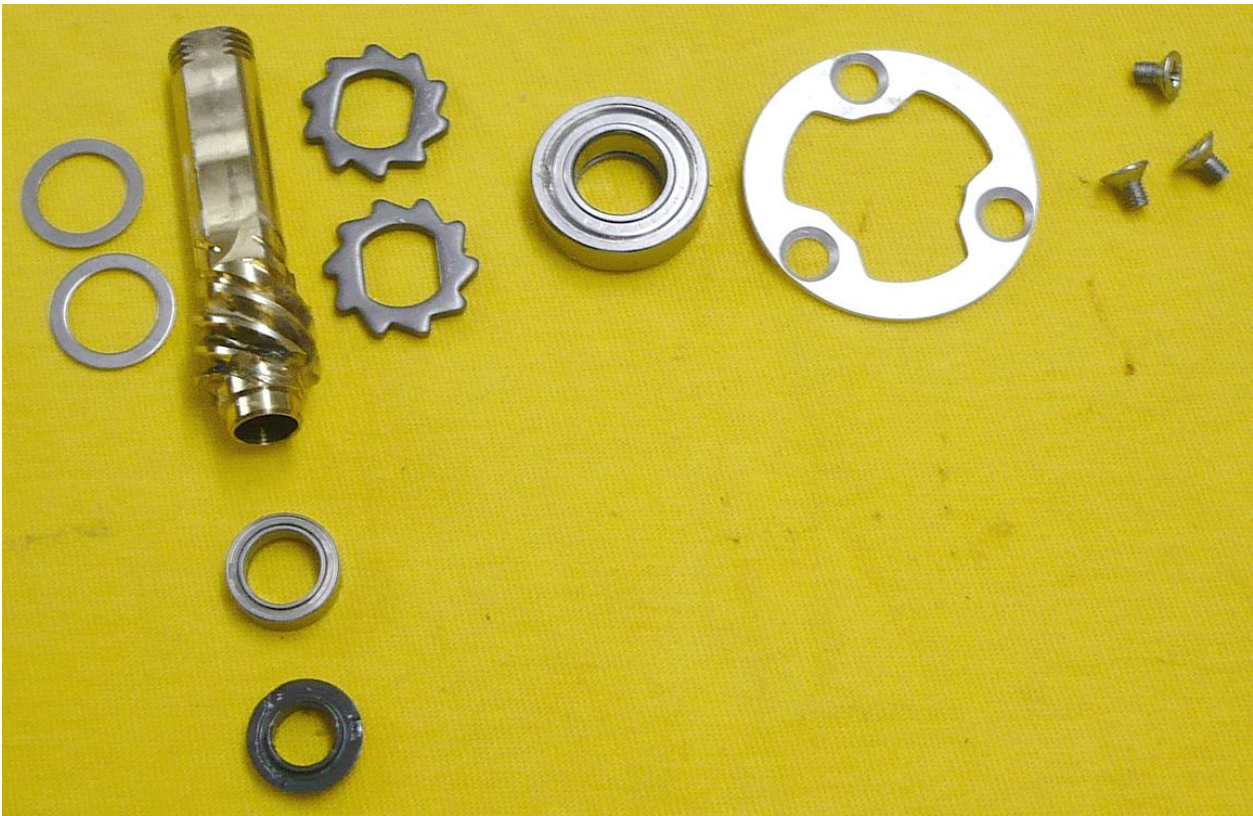

mag seal

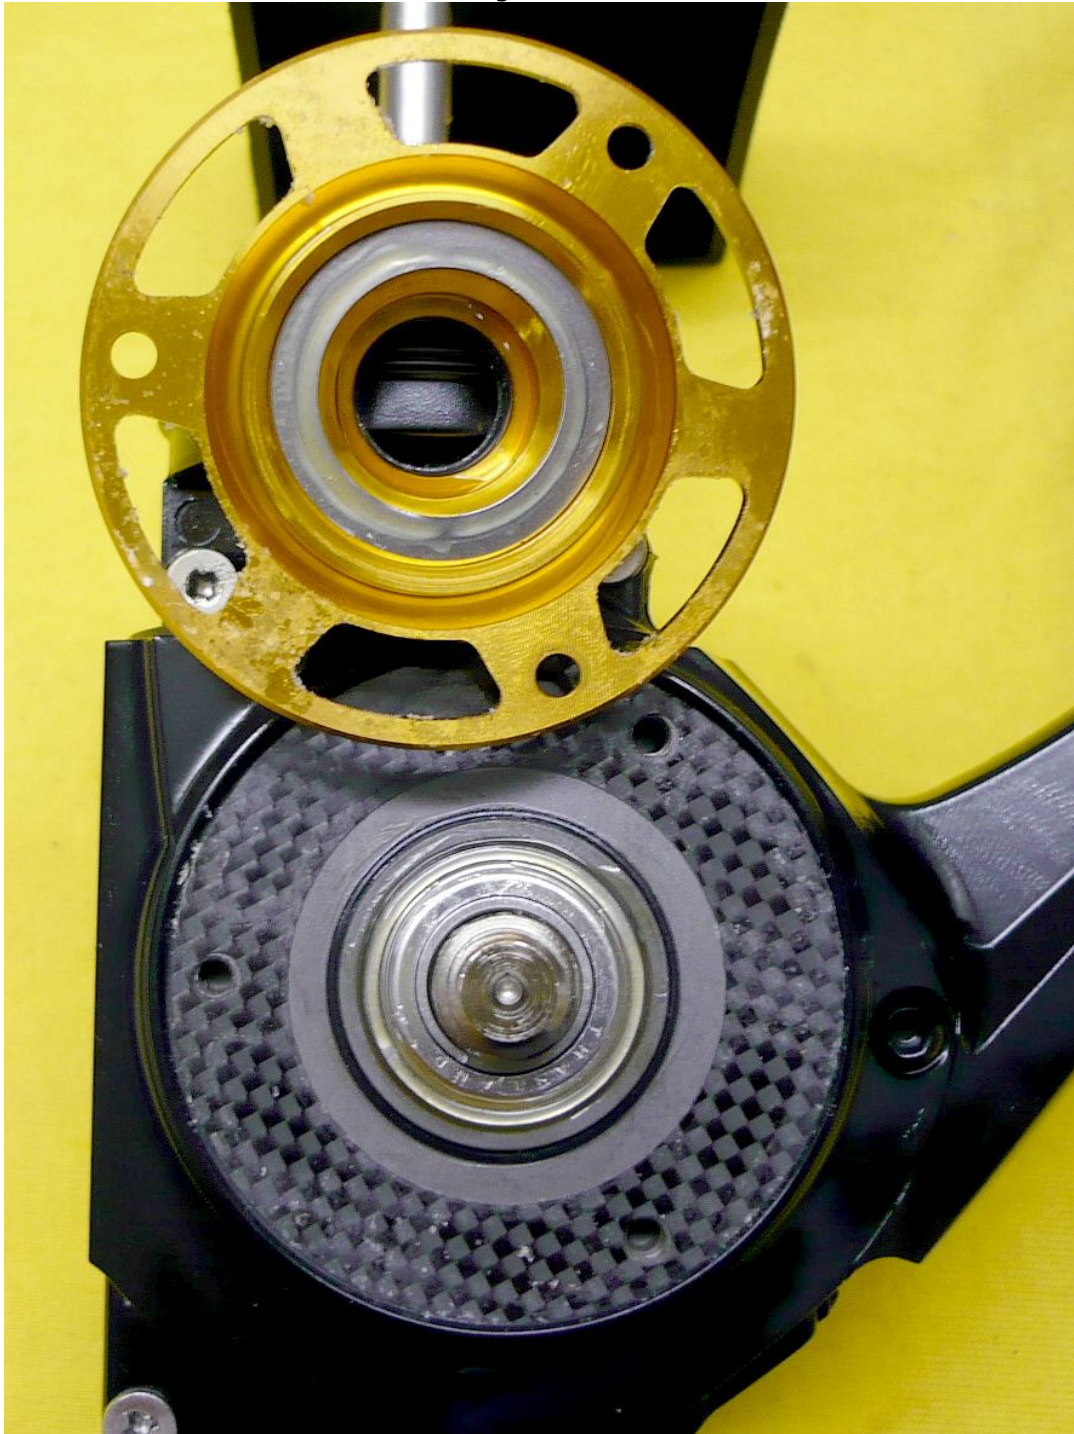

not greased

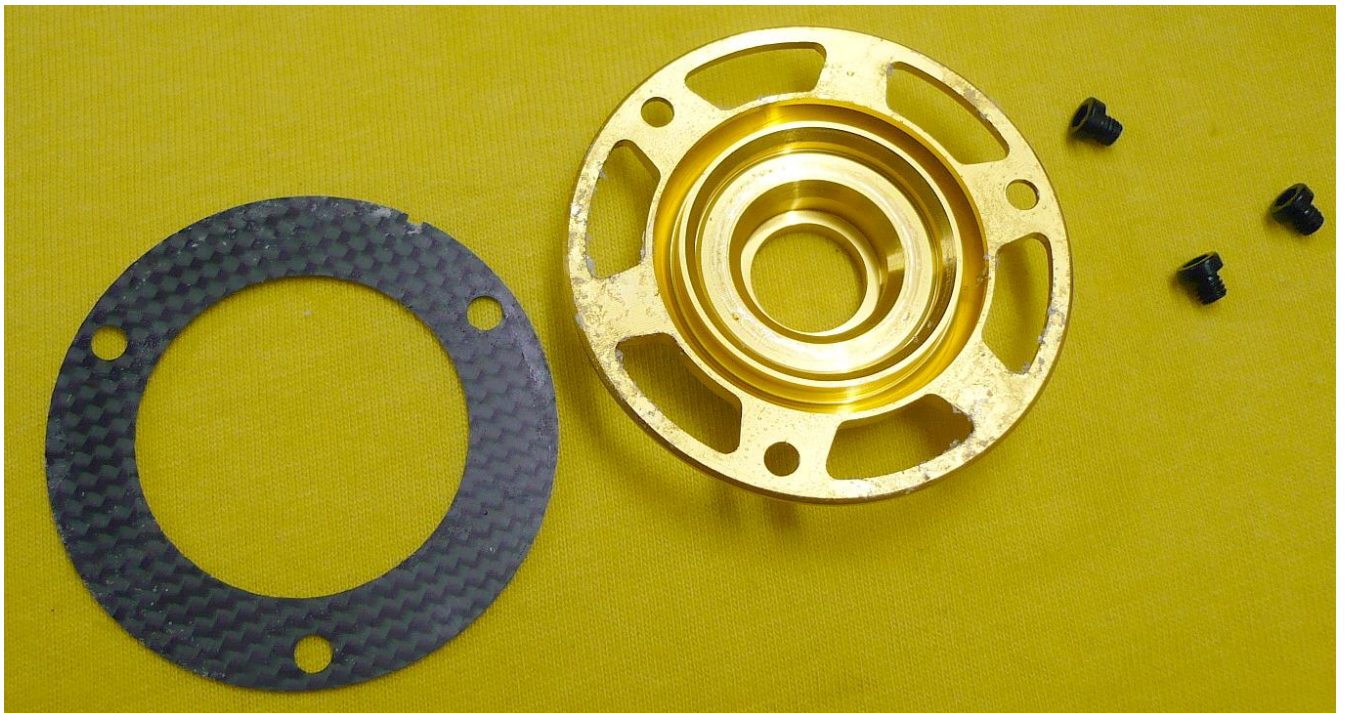

grease seems to be the most expensive in Japan....

not greased....

Salt, enough for your breakfast egg.... note corroded cover.
thats after two weeks fishing.....

corrosion under both covers.....

rear cap, no comments....

not oiled or greased....
