Dear friends,

As I am sure most of you already know, Annemarie and I have been in the process of selling our business SPIRIT OF ADVENTURE CHARTERS to our employee Evan Kraft and his soon to be wife, Andrea.

After more than 33 years, we feel it is time for the next generation to step in.

Our intention from the start has been to keep the SPIRIT within our "family" and feel strongly that Evan and Andrea will carry the SPIRIT tradition forward with renewed passion and enthusiasm. In his years of working for us, Evan has convinced me that he has what it takes. Andrea will be taking over in the office and I think you will find she has many of the same attributes as Annemarie, pleasant, easy to work with and very detail oriented.

Everything else will remain the same this year, the schedule, pricing, reservations, etc. Unless otherwise requested, trip deposits will be forwarded to the new owners when time comes. (Evan might raise the price of beer after 30 years to two dollars, but don't quote me..).

This point in time brings out many emotions for us. It has been a privilege to be able to make a living taking my friends fishing all these years, however, at 65 years old, it is time to step back and let someone who can be a fulltime owner/operator take over. Annemarie and I will still be around to help as needed – and you might even see me fishing with some of you from time to time in the future.

Thank you for being part of the SPIRIT family all these years!

Mike
